

Testfabrics, Inc.

Your source for Quality Test Materials

Product Update

June 15, 2016

Dear Valued customers,

Multifiber Fabric 43 and Multifiber Fabric 10N have been discontinued.

Instead we are offering [MFF 49](#) (8 fibers 1.25cm stripe) of (Acetate, Cotton, Polyamide, Polyester, Acrylic, Silk, Viscose, Wool) and [MFF 10](#) (6 fibers 8 mm bands) of (Acetate, Cotton, Nylon, Polyester, Acrylic & Wool) respectively.

If you are looking for a specific fiber type in Multifiber, don't hesitate to contact us.

Sincerely,
Thomas A. Klaas

Technical Director
